OBJECTIVE

- I'm looking for internship possibilities to enhance technical expertise, obtain practical experience, and take part in cutting-edge engineering projects.

EDUCATION

Degree	Institute/Board	CGPA	Year
B.Tech., CSE	Jawaharlal Nehru Technological University , Hyderabad	9.8	2024-2027
Diploma.,CSE	Government Polytechnic , Warangal	9.99	2021-2024
Secondary Education	Infant Jesus Convent High School	10	2020-2021

PROJECTS

- Smart Pole - Be Smart And Safe:** June 2023 - Dec 2023
Tools: Arduino Uno,Python,Lightening System,Button,Buzzer 
 - Developed a smart pole system that detects emergencies and sends location based alert messages to the nearest police station for ensuring Urban,Rural and Women safety
- Ride Connect:** Jan 2025 - April 2025
Tools: HTML,CSS,Flask,MySQL 
 - Ride Connect is a platform that connects users with drivers for booking rides, offering Driver-only or Vehicle+Driver options. Users request trips and drivers accept ride requests for seamless management

EXPERIENCE

- Industrial Trainee at Sri Bhadrakali Technology PVT LTD:** may 2024
 - Completed six months of Industrial training on Java,Python, .Net and IoT

SKILLS

- Programming Languages:** HTML,CSS,Java,C,C++,Python,Django,Flask,MySQL
- Tools:** MS word,MS power point

CERTIFICATIONS

- State Level Srujana Tech Fest, [Certification 1](#)** Feb 2024
- Sri Bhadrakali Technology PVT LTD, [Certification 2](#)** Dec 2023 - May 2024

ACHIEVEMENTS

- TS ECET 2024: Secured State 9th rank over 23000+ candidates** may 2024
- North South Foundation Scholarship: Merit-Based Scholarship** 2025
